POOJA AGARWAL

Frontend Developer | Software Engineer

Address	*Lucknow, India*
Ph. No.	*+91-9026343013*
Email	*apooja.dev21@gmail.com*
LinkedIn ID	*linkedin.com/in/poojaagarwal21*
Portfolio	*apooja.dev/*
Github	*github.com/apooja21/*

I am a Frontend Developer with 3+ years of combined experience in software development, and testing. I have a passion for learning, evidenced by the successful transition from test engineering to frontend development and continuous self-improvement through freelance and personal hobby projects.

CORE COMPETENCIES

JavaScript | Typescript | React | Angular | Redux | CSS | Bootstrap | HTML | Tailwind CSS | NodeJS | ExpressJS | MongoDB | Java | C++ | Python | Jython | Git | Agile | GitHub | AWS | Web Service Testing | Jira | Webflow | Figma | Adobe Photoshop | Parasoft SOA Tool

PROFESSIONAL EXPERIENCE

Deutsche Telekom Digital Labs, Gurugram
SOFTWARE ENGINEER | Jan 2025 – Present
• Working on a React-based project.

Sijal in Stiches LLP, Lucknow
FRONTEND DEVELOPER | Apr 2021 – Mar 2022
• Created user interfaces with **Angular**, **TypeScript**, and **HTML/CSS** to ensure responsive design across platforms, improved web page performance by 25-50%,
• Implemented **PrimeNG** Angular UI component library to ensure more efficient usage of the codebase for better and faster development,
• Created landing pages and dashboards for the e-commerce website,
• Collaborated with backend developers to integrate frontend components with back-end APIs,
• Maintained strict budgetary and scheduling guidelines to satisfy customers with high-quality, targeted designs.

Wipro Limited, Bengaluru
TEST ENGINEER | Nov 2018 – Nov 2020
• Developed and implemented a comprehensive test automation framework, resulting in a 20% decrease in test cycles and improved coverage to 60% from 40%,
• Executed various manual and automated tests, and tracked potential software problems via bug tracking system,
• Identified and tracked defects with **Jira** and supported developers in resolving problems by completing additional tests,
• Created automation scripts using **Parasoft SOA Test** tool and **Jython,**
• Collaborated with developers and product owners to stay current on product features and intended functionality.

EDUCATION

BACHELOR OF TECHNOLOGY IN COMPUTER SCIENCE AND ENGINEERING, 2014-2018
Shri Ramswaroop Memorial University, Lucknow

CERTIFICATIONS

- Modern React with Redux – Udemy Certification
- The Web Developer Bootcamp – Udemy Certification
- Android Application Development (07/2017) – Summer Training at **Training@Infoseek**

PERSONAL PROJECTS

- **Age of Empire Stats** - This is an ongoing full-stack project on which I worked on the Front End using React and the MUI component library. I designed the website's leaderboard and statistics page.
  Website URL - **apooja.dev/aoe2-stats/**
- **Workout Buddy** - This is a full-stack project where I worked on the frontend and back end using React, NodeJS, ExpressJS, MongoDB, and JWT Authentication. The project has create, read, update, and delete functionalities with sign-in and sign-up for users.
  Website URL - **github.com/apooja21/workout-buddy-jwt-authentication**
- **Leafy Eden Plant Store** – This is a user-friendly online plant store website landing page. I designed the web page using HTML, CSS, and Javascript. It also offers both light and dark theme options.
  Website URL - **apooja.dev/plant-store-website/**
- **TODO App** – It is a simple to-do list application using React. This has CRUD functionality.
  Website URL - **apooja.dev/todo-list-app/**

EXTRA-CURRICULUM

- Freelanced on various web development projects, showcasing skills in HTML, CSS, JavaScript
- Indulged in my passion for painting – digital painting
